

Master Summary Report: Claimant Julien Olivier (Case: SIF14026805)

1. Claimant Overview

* **Name:** Julien Olivier

* **DOB:** Not Found (Requires manual input)

* **SSN:** Not Found (Requires manual input)

* **Case Number(s):** SIF14026805, LAPPL-ADR-07772, LAPPL-ADR-11218 (Discrepancy needs resolution)

* **Date of Injury & Mechanism:**

* **2018-03-22 (Right Shoulder/Elbow):** Work-related injury (Ref: SIF14026805 – A – Page 5).

* **2019-03-22 (Right Shoulder/Elbow):** Date of Injury per DEU summary (Ref: SIF14026805 - A, SIBTF - SIF14026805 - E - 21-24, Page 1)

* **2020-09-22 (Multiple):** Injuries including right knee, cervical spine, lumbar spine, headaches, GERD, umbilical hernia, inguinal hernia, hiatal hernia, mastication issues, tinnitus, and ankle injuries. TTD and TPD benefits initiated. (Ref: SIF14026805, All Pages)

* **Continuous Trauma from 11/07/1990 to 12/15/2020:** Attributed to cervical spine, left shoulder, lumbar spine, bilateral knee, and bilateral ankle conditions. (Ref: SIF14026805 - C, C13)

* **Work Status & Disability Ratings:**

* **2019-09-05:** Deemed Permanent and Stationary (right shoulder and elbow). Returned to usual duties with no restrictions. Awarded 24% permanent disability for right shoulder and elbow. (Ref: SIF14026805 - A, SIBTF - SIF14026805 - A - 01-10, SIBTF - SIF14026805 - E - 21-24)

* **2020-09-22:** On TTD and TPD benefits (Ref: SIF14026805, All Pages)

* **2021-10-20:** On TTD until improvement. (Ref: SIF14026805 - C, C13)

* **September 2022:** Retired (Ref: SIF14026805 – I – 1-10.txt, Page 4, Page 7, SIF14026805 – I – 11-20.txt, Page 4, Page 7)

* **2023-10-16:** Permanent Disability benefits began for the right knee injury, rated at 6%. (Ref: SIF14026805, Page 1)

* **On or before 2024-06-03:** AME evaluations resulted in a 56% total Permanent Disability rating. (Ref: SIF14026805, Pages 6-7)

* **Specialties Involved:** Orthopedics (ORT), Occupational Medicine (AME), Neurology, Podiatry, Dentistry, Ophthalmology, Audiology, Urgent Care Medicine, Family Medicine, Internal Medicine, Immunology

2. Comprehensive Medical Timeline:

* **[Date Uncertain - Before 1990]:** Hearing test (Patient report). (Ref: SIF14026805 - G, SIBTF - SIF14026805 - G - 21-30.txt, Page 1)

* **1994:** Extraction of four wisdom teeth (Dentist, Unspecified). (Ref: SIF14026805 – D - 1-10, Page 8)

* **1998-12-02:** Periodontal examination, dental prophylaxis, and x-rays (Dr. Fealy, Dentistry). (Ref: SIF14026805 – D - 11-20, Page 11)

* **2001 (Approximate):** Onset of bilateral plantar heel pain, Podiatry consult, conservative treatment, 6-month recovery prediction. (Ref: SIF14026805 – I – 11-20.txt, Page 2).

* **01/08/2001:** Bilateral foot x-rays, mild spurring, no acute changes (Dr. Gregory Parany). (Ref: SIF14026805 - A2)

* **2001:** Plantar Fasciitis diagnosed (Podiatrist, Canyon Country). Recommendation: Stop running, foot inserts. (Ref: SIF14026805 – G, SIBTF - SIF14026805 - G - 21-30.txt, Page 5-6)

* **2001 - Present:** Intermittent/episodic bilateral plantar fasciitis, lasting 2 months to a year, aggravated by walking (Patient report). (Ref: SIF14026805 – G, SIBTF - SIF14026805 - G - 21-30.txt, Pages 6-7)

* **09/25/2001:** Filling on tooth #20 (Dr. Fealy, Dentistry). (Ref: SIF14026805 – D - 11-20, Page 11)

* **[Unspecified Past Date - Before 2006]:** Deep scalings and root planings (Dentist, Unspecified). No periodontal surgery performed. (Ref: SIF14026805 – D - 1-10, Page 3)

* **[Various Dates over 20 years - Exact dates not provided]:** Bruxism (teeth grinding) noted, routine dental exams, cleanings, nightguard recommended but never fabricated. (Dr. Fealy, Dentistry). (Ref: SIF14026805 – D - 1-10, Pages 2, 3, 10)

* **2005 - 2020:** Routine dental x-rays (Dr. Fealy, Dentistry). (Ref: SIF14026805 – D - 11-20, Page 11)

* **06/10/2006:** Plantar fasciitis (bilateral, left worse recently), heel stretching, arch support, Naprosyn, referral to Podiatry (Dr. Khoa Nguyen, Family Practice). (Ref: SIF14026805 - A2, A3)

* **07/30/2006:** Insect bite, treatment unspecified (Dr. Khoa Nguyen). (Ref: SIF14026805 – A2)

* **08/07/2006:** Bilateral pes planus, calcaneal spurring, mild 1st MTPJ degenerative changes, x-rays, stretching, arch supports, proper shoes, anti-inflammatories, icing (Dr. Joung H. Lee, Podiatry). (Ref: SIF14026805 – A2, A6, SIF14026805 – I – 1-10.txt, Page 3, SIF14026805 – I – 11-20.txt, Page 3)

* **06/01/2007:** Left knee pain (running overuse), x-ray shows small joint effusion, no fracture (Dr. Khoa Nguyen). (Ref: SIF14026805 – A2, A3)

* **11/27/2007:** Bilateral cerumen impaction, ear lavage (Dr. Khoa Nguyen). (Ref: SIF14026805 - A2, A6)

* **10/10/2008:** Resolving left third finger strain, treatment unspecified (Dr. Atul Sharma). (Ref: SIF14026805 – A2, A6)

* **2009:** Left shoulder pain (sharp pain during bench pressing at work, Patient report). (Ref: SIF14026805 – G, SIBTF - SIF14026805 - G - 21-30.txt, Page 9)

* **2009 - Present:** Daily left shoulder pain, lasting a few minutes, aggravated by reaching high, extending arm left, certain activities (e.g., putting dishes away, Patient report). (Ref: SIF14026805 – G, SIBTF - SIF14026805 - G - 21-30.txt, Pages 9-10)

* **2009-10-24:** Influenza vaccination (Ref: SIF14026805 – A5)

* **01/02/2010:** Right wrist and forehead contact dermatitis, Betamethasone Dipropionate cream (Dr. Chris Aghayan, Urgent Care). (Ref: SIF14026805 – A6)

* **01/04/2010:** Severe itchy rash on right hand, Ketoconazole cream (Dr. Zinat Choudhury). (Ref: SIF14026805 - A5)

* **10/13/2010:** Dog bite (right hand), Tdap vaccine, Amoxicillin-Pot Clavulanate, ibuprofen (Dr. Lucy Lo, Internal Medicine). (Ref: SIF14026805 - A5, A6)

* **10/24/2010:** Influenza vaccination (Ref: SIF14026805 – A5)

* **11/10/2011:** Influenza vaccination (Ref: SIF14026805 – A5)

* **2011:** Bilateral knee pain (onset of pain inside both knees, Patient report). (Ref: SIF14026805 – G, SIBTF - SIF14026805 - G - 21-30.txt, Page 11)

* **2011 - Present:** Bilateral knee pain, aggravated by getting in/out of cars/chairs, sometimes walking (Patient report). (Ref: SIF14026805 – G, SIBTF - SIF14026805 - G - 21-30.txt, Page 12)

* **04/22/2011:** Left eye foreign body exposure, secondary conjunctivitis, Polytrim ophthalmic drops (Dr. Kevin L Vuong, Urgent Care). (Ref: SIF14026805 – A6)

* **11/09/2012:** Influenza vaccination (Ref: SIF14026805 – A5)

* **Around 2013:** Initial onset of Farsightedness (self-reported, not medically diagnosed). (Ref: SIF14026805 – G, Page 5 of SIBTF - SIF14026805 - G - 1-10.txt)

* **05/10/2013:** Dizziness, avoid sudden head motions, possible meclizine (Dr. Riga Pemba, Internal Medicine). (Ref: SIF14026805 – A7, A8)

* **05/20/2013:** Vertigo, patient education on benign positional paroxysmal vertigo, Epley maneuver (Dr. David Shaw, Family Medicine). (Ref: SIF14026805 – A7)

* **07/14/2014:** Tooth #30 prepared for a full crown (Dr. Fealy, Dentistry). (Ref: SIF14026805 – D - 11-20, Page 11)

* **08/22/2014:** Crown cemented on tooth #30 (Dr. Fealy, Dentistry). (Ref: SIF14026805 – D - 11-20, Page 11)

* **10/16/2015:** Influenza vaccine (quadrivalent) (Ref: SIF14026805 - A3, A5)

* **03/18/2016:** New patient eye exam, myopia (left eye), hypermetropia & astigmatism (right eye), anisometropia, lattice retinal degeneration, macular drusen (left), prescription reading glasses (Dr. Carol Aivazian, Optometry). (Ref: SIF14026805 – A, A1, A2)

* **08/18/2016:** Cellulitis, canker sore, Sulfamethoxazole-Trimethoprim (Dr. Atul Sharma, Urgent Care). (Ref: SIF14026805 – A7)

* **08/22/2016:** Herpes Labialis, Valacyclovir, Acyclovir ointment (Dr. Zinat Choudhury). (Ref: SIF14026805 – A7)

* **11/22/2016:** Left ear impacted cerumen, ear lavage (Dr. David Shaw). (Ref: SIF14026805 – A7)

* **[Date Approximation Needed - "3 to 5 years ago" before deposition date]:** Noticed hearing loss (Patient report). (Ref: SIF14026805 - G, SIBTF - SIF14026805 - G - 21-30.txt, Page 1)

* **02/22/2018:** Crown on tooth #30 broke, new crown prepared (Dr. Fealy, Dentistry). (Ref: SIF14026805 – D - 11-20, Page 11)

* **06/22/2018:** Annual physical, elevated BP, elevated triglycerides, cloudy urine, dietary recommendations (Belinda Gay Rouse, NP). Lab tests ordered. (Ref: SIF14026805 – A4, A5, A7)

* **07/03/2018:** Fecal Occult Blood Immunochemical Test (FIT). (Ref: SIF14026805 – A4)

* **07/09/2018:** Lab result: Fecal Globin by Immunochemistry - Not Detected. (Ref: SIF14026805 – A4)

* **2018-03-22:** Right elbow and right shoulder injury (work-related). (Ref: SIF14026805 – A, A15, SIF14026805 - A, SIBTF - SIF14026805 - A - 01-10, SIBTF - SIF14026805 - E - 21-24)

* **2018-11-19:** Right shoulder arthroscopic rotator cuff repair, biceps tenodesis, debridement,

subacromial decompression (KH-USC). (Ref: SIF14026805 – A, A2)

* **2018-12-10:** Revision open biceps tenodesis, right shoulder, removal of hardware (KH-USC). (Ref: SIF14026805 – A, A2)

* **[Date Approximation Needed - "A few years ago" before deposition date]:** Sciatica and lower back pain began (Patient report). (Ref: SIF14026805 – G, SIBTF - SIF14026805 - G - 21-30.txt, Page 2)

* **[Date Approximation Needed - "A few months ago" before deposition date]:** Hearing evaluation (Hearing professional, referred by attorney). (Ref: SIF14026805 – G, SIBTF - SIF14026805 - G - 21-30.txt, Page 1)

* **2019-03-22:** Date of Injury (DOI) (right shoulder/elbow) per DEU summary. (Ref: SIF14026805 - A, SIBTF - SIF14026805 - E - 21-24, Page 1)

* **2019-09-05:** Formal Medical Evaluation (Dr. George Hatch, Orthopedics), right shoulder soreness (resolved), continuing home stretches, right shoulder ROM limitations, glenohumeral joint injection (Toradol, Decadron, Marcaine), deemed Permanent and Stationary. (Ref: SIF14026805 - A, SIBTF - SIF14026805 - E - 21-24, Page 2, SIF14026805 – A, A2)

* **December 2019:** Follow-up appointment (Orthopedics) scheduled. (Ref: SIF14026805 – A, A2)

* **2020:** Routine prophylaxis, full mouth x-rays, intraoral photos, no caries, generalized mild horizontal alveolar bone loss (Dr. Fealy, Dentistry). (Ref: SIF14026805 – D - 11-20, Page 11)

* **10/01/2020:** Facial rash, suspected shingles, clotrimazole cream, Prednisone, Valacyclovir prescribed, possible dermatology referral (Dr. Hurig Katchikian, Virtual Video Visit). (Ref: SIF14026805 – A5)

* **10/20/2020:** Dental hygiene appointment (Dr. Fealy, Dentistry). (Ref: SIF14026805 – D - 11-20, Page 11)

* **10/20/2020:** MRI cervical spine, left shoulder, left knee (radiologist, reviewed by Dr. Conwisar). Findings: Cervical spondylosis, multilevel DDD, left C6-7 neural foraminal stenosis, perineural cysts; left shoulder osteoarthritis, joint effusion, partial supraspinatus tear, tendinosis, subdeltoid bursitis, labrum tear; left knee osteoarthritis, joint effusion, chondromalacia patella, lateral meniscus tear, loose body. (Ref: SIF14026805 – A, A15)

* **10/21/2020:** MRI lumbar spine, right shoulder, right knee (radiologist, reviewed by Dr. Conwisar). Findings: Lumbar disc height loss, desiccation, L5-S1 protrusion, neural foraminal stenosis, synovial cyst; right shoulder osteoarthritis, joint effusion, supraspinatus tear, tendinitis, tendinosis; right knee osteoarthritis, chondromalacia patella, joint effusion, ganglion cysts. (Ref: SIF14026805 – A, A15)

* **10/28/2020:** Electrodiagnostic studies of upper and lower extremities (Dr. Kamran Hakimian), incomplete study, no radiculopathy. (Ref: SIF14026805 – A, A1, A17)

* **10/30/2020:** Patient sustained injuries: right knee, cervical spine, lumbar spine, headaches, GERD, umbilical hernia, inguinal hernia, hiatal hernia, mastication issues, tinnitus, ankle injuries. TTD and TPD benefits initiated. (Ref: SIF14026805, All Pages)

* **12/15/2020 (Continuous Trauma End Date):** Cumulative trauma injury, initial visit/injury. (Ref: SIF14026805 – A, A2, A3, A6, A8, A14, A15, A16, A17)

* **01/05/2021:** Shortness of breath, lower respiratory tract infection, COVID-19 pneumonia diagnosed, chest x-ray shows patchy left lower lobe infiltrates; prescribed albuterol inhaler, doxycycline, dexamethasone, guaifenesin-codeine; home quarantine, vitamin recommendations

(Dr. Khoa Dang Nguyen, Immediate Care). (Ref: SIF14026805 – A3, A5)

* **02/02/2021:** Gum recession, Myalgia, Myofascial pain, Bruxism, TMJ dysfunction diagnosed, mandibular repositioning device, deep cleaning, mucogingival grafts recommended (Dr. David Abri, Dentistry). (Ref: SIF14026805 – A, 1-3; SIF14026805 – D - 1-10, Page 6)

* **03/29/2021:** Multiple diagnoses: lumbar spine sprain/strain, rule out disc herniation/radiculopathy, rule out left shoulder labral tear/internal derangement, right hand arthralgia, internal derangement of right and left knees, bilateral plantar fasciitis. Chiropractic, MRI (lumbar spine, left shoulder, bilateral knees), physical therapy, and podiatry evaluation requested (Dr. Phillip Conwisar, Orthopedics). (Ref: SIF14026805 – A, A18; SIF14026805 - D - 1-10, Pages 8-9)

* **04/05/2021:** X-rays: left shoulder (early degenerative joint disease), lumbar spine, right knee (mild medial compartment narrowing), left knee (mild medial compartment narrowing), right foot (large plantar calcaneal spur), left foot (large plantar calcaneal spur). (Ref: SIF14026805 - A, A1, A2, A5, A7, A8, A10, A11, A12, A14, A15, A16, A17, A19)

* **05/19/2021:** Telemedicine evaluation, multiple diagnoses including lumbar spine sprain/strain, rule out disc herniation/radiculopathy, left shoulder pain and stiffness, low back pain, bilateral knee pain, bilateral foot pain, occasional right hand pain (Dr. Philip Conwisar, Orthopedics). Chiropractic, MRI (lumbar spine, left shoulder, bilateral knees), physical therapy, and podiatry evaluation requested. (Ref: SIF14026805 - A, A11, A18, A19)

* **06/25/2021:** Telemedicine evaluation, similar diagnoses as 05/19/2021 (Dr. Philip Conwisar, Orthopedics). MRI (lumbar spine, left shoulder, bilateral knees), physical therapy, and podiatry evaluation requested. (Ref: SIF14026805 – A, A19)

* **07/18/2021:** Multiple conditions reported, including lumbar spine, shoulder, knee pain, and plantar fasciitis (Julien Olivier, Patient). MRI (lumbar spine, left shoulder, bilateral knees) and PT requested. Refuses further chiropractic treatment. Authorization requested for podiatry evaluation and treatment (Dr. Arthur Fass). (Ref: SIF14026805 - C, C11)

* **07/26/2021:** Strain of shoulder and upper arm, sling use, NSAIDs, modified duty (no reaching, pushing, pulling, lifting > 5 lbs) until 08/02/2021 (Jadran Dychioco, NP-C). (Ref: SIF14026805 - C, C11)

* **07/26/2021:** Right shoulder pain, impingement, partial rotator cuff tear, degenerative joint disease. No treatment specified, placed on light duty (Dr. Philip Conwisar, Orthopedics, Valencia Medical Care). (Ref: SIF14026805 – A, A4, A13)

* **08/06/2021:** Persistent low back, left shoulder, bilateral knees, and bilateral foot pain. Telemedicine evaluation. MRI (lumbar spine, left shoulder, bilateral knees), physical therapy, and podiatry evaluation (Dr. Arthur Fass) requested (Dr. Philip Conwisar, Orthopedics). (Ref: SIF14026805 – A, A9, A19; SIF14026805 - C, C11)

* **09/23/2021:** Agreed Medical Examination in Dentistry, chronic bruxism, abfraction with gingival recession (Dr. Burton Sobelman, DDS, AME). No dental disability. Custom intraoral orthotic recommended (Ref: SIF14026805 – C, C12, C13; SIF14026805 - D - 1-10, Page 1, D - 11-20, Page 19)

* **09/23/2021:** Right shoulder, right hand, lumbar spine, bilateral knees, and bilateral ankle sprains, osteoarthritis (left shoulder). AME orthopedic evaluation (Dr. David Heskiaoff, MD). MRI (left shoulder, bilateral knees, lumbar spine, cervical spine), EMG/NCV studies (upper and lower extremities) requested. Placed on TTD until improvement. Apportionment discussed. (Ref:

SIF14026805 – C, C13, C14)

* **[Date Unspecified - Before September 2021]:** Agreed Medical Evaluation (Dr. Heskiaoff), MRI of the right shoulder ordered, already on TTD for another injury. (Ref: SIF14026805 – A, A13)

* **09/17/2021:** Telemedicine evaluation, multiple diagnoses, placed on temporary total disability due to low back pain flare-up (Holly Quintero, PA-C, co-signed by Dr. Philip Conwisar). (Ref: SIF14026805 - A, A9)

* **10/20/2021:** MRI of the Cervical Spine, Left Shoulder, and Left Knee (Dr. David Chang, MD). Findings largely consistent with 10/20/2020 MRI. (Ref: SIF14026805 - C, C13; SIF14026805 – A, A1, A2, A8, A10, A11, A12, A14, A16, A17)

* **10/21/2021:** MRI of the Lumbar Spine, Right Shoulder, and Right Knee (Dr. David Chang, MD), findings largely consistent with 10/21/2020 MRI. (Ref: SIF14026805 – C, C14; SIF14026805 – A, A1, A2, A4, A8, A10, A11, A12, A13, A14, A15, A16, A17)

* **10/28/2021:** Electrodiagnostic Studies of the Upper and Lower Extremities (Dr. Kamran Hakimian, MD). Incomplete study due to patient intolerance. No entrapment neuropathy (left median and ulnar nerves). No motor radiculopathy (upper and lower extremities) found. (Ref: SIF14026805 – C, C14; SIF14026805 – A, A1, A2, A8, A10, A12, A14, A16, A17)

* **11/01/2021:** Persistent pain (low back, left shoulder, bilateral knees, bilateral feet). PT and AME report requested. Remains on TTD. (Ref: SIF14026805 - C, C14)

* **11/15/2021:** Review of records and supplemental medical-legal report. Ruled out cervical and lumbar radiculopathy and entrapment neuropathy (Dr. David Heskiaoff, MD - AME). Reviewed MRI findings. Recommended pain management referral, right shoulder injection, bilateral knee viscosupplementation. (Ref: SIF14026805 – C, C15; SIF14026805 – A, A1, A2, A8, A14, A17)

* **[Date Unspecified - 2021]:** Patient reports numerous conditions including plantar fasciitis, arthritis (knees), tear in left knee, bulging discs (neck and lower back), bone spurs (shoulders), left shoulder tear, hearing loss, right hand trigger finger, hand pain and reduced grip (Patient report). (Ref: SIF14026805 - C, C17)

* **12/03/2021 (Inferred):** Declaration of Service, medical-legal report sent to involved parties. (Ref: AA290)

* **12/22/2021:** Persistent pain (low back, left shoulder, bilateral knees, bilateral feet, neck). PT requested. Remains on TTD. (Ref: SIF14026805 – C, C15; SIF14026805 – A, A6, A9, A16)

* **12/27/2021:** Right shoulder pain, impingement, partial rotator cuff tear, degenerative joint disease. Telemedicine evaluation. PT and subacromial corticosteroid injection (right shoulder) requested. Modified duty, restrictions on right upper extremity use, lifting, field and patrol duties. (Ref: SIF14026805 – C, C15; SIF14026805 – A, A13)

* **01/04/2022:** Right shoulder x-rays, small teardrop osteophyte (inferior humeral head), no significant change from 07/26/2021 (Dr. Amjad Safvi, MD). (Ref: SIF14026805 - C, C16)

* **02/01/2022:** Persistent right shoulder pain. Telemedicine evaluation. PT and subacromial cortisone injection authorized. Modified duty, restrictions on lifting, pushing/pulling, overhead use, patrol, field duties. (Ref: SIF14026805 - C, C16; SIF14026805 - A, A13)

* **[Date Unspecified - Before 02/11/2022]:** Physical therapy for bilateral shoulders and lumbar spine (Physical Therapist, Unspecified). (Ref: SIF14026805 – A, A1, A2, A17)

* **02/11/2022:** Telemedicine evaluation, multiple diagnoses, remains on temporary total

disability due to severe pain (Dr. Philip Conwisar, Orthopedics). (Ref: SIF14026805 - A, A14)

* **02/24/2022:** Telemedicine evaluation, multiple diagnoses, orthotics molded by podiatrist (Dr. Fass), custom orthotics expected in three weeks, remains on TTD (Dr. Philip Conwisar, Orthopedics). (Ref: SIF14026805 – A, A1, A6, A8, A17)

* **03/30/2022:** Telemedicine evaluation, multiple diagnoses, completing physical therapy for various areas, receiving orthotics (Dr. Philip Conwisar, Orthopedics). Right hand MRI authorization requested. (Ref: SIF14026805 – A, A5, A9, A14, A15)

* **06/10/2022:** Ophthalmology evaluation. Severe Dry Eye Disease (DED) diagnosed, caused or aggravated by work exposures. Refractive Error with Presbyopia diagnosed, non-industrial. Eye exam performed. Recommendations for future ophthalmology evaluations and treatment, over-the-counter and prescription eye drops, possible punctal occlusion. Reached MMI/P&S for DED. 3% visual system impairment (100% industrial). No time off work, no work restrictions. Recommendations for glasses, sunglasses, and artificial tears (Dr. Marta A. Recasens). (Ref: SIF14026805 - C, C17, C18, C19, C20, Recasens, SIBTF)

* **[Date Approximation Needed - "Around like five months ago" before deposition date]:** Lower back examination (Dr. Conwisar, Orthopedics). (Ref: SIF14026805 – G, SIBTF - SIF14026805 - G - 21-30.txt, Page 3)

* **[Date Approximation Needed - "In the last year" before deposition date]:** Right hand pain, possible nerve involvement, sharp, electric shock-like pain in knuckles of thumb and index finger, occurring a few times a week, lasting a few seconds, aggravated by typing, relieved by stopping (Patient report). (Ref: SIF14026805 – G, SIBTF - SIF14026805 - G - 21-30.txt, Pages 3-4)

* **10/20/2022:** AME orthopedic evaluation, diagnoses include constant bilateral foot pain, lower back pain, lumbar strain, shoulder and hand strain, internal derangement of knees, bilateral plantar fasciitis (Dr. David Heskiaoff, MD). (Ref: SIF14026805 – I – 1-10.txt, Page 3, SIF14026805 – I – 11-20.txt, Page 3).

* **[Date Approximation Needed - "Two weeks ago" before deposition date]:** Right shoulder pain began (Patient report). (Ref: SIF14026805 – G, SIBTF - SIF14026805 - G - 21-30.txt, Page 12)

PDF File Matching Analysis Report

Overview

This report analyzes the original filenames against their matched SIBTF files by comparing their respective page counts. Each original document has been matched against the corresponding chunked SIBTF filenames based on the page count metadata provided.

Detailed Matching Report

1. AME Dr. Andrew Berman .pdf (10 pages)

Matched with:

- SIBTF - SIF14026805 - A (pages 1-10): **10 pages**

Total Page Count: **10**

2. AME Dr. David Heskiaoff Reports.pdf (56 pages)

Matched with:

- SIBTF - SIF14026805 - B (pages 1-56): **56 pages** (Chunks: 1-10,11-20,21-30,31-40,41-50,51-56)

Total Page Count: **56**

3. AME Dr. Recasens 7-18-22 .pdf (24 pages)

Matched with:

- SIBTF - SIF14026805 - C (pages 1-24): **24 pages** (Chunks: 1-10,11-20,21-24)

Total Page Count: **24**

4. AME Dr. Sobelman 09-23-2021.pdf (21 pages)

Matched with:

- SIBTF - SIF14026805 - D (pages 1-21): **21 pages** (Chunks:1-10,11-20,21-21)

Total Page Count: **21**

5. Award_and_Stips_-_ADJ13469671_-_DOI_3-22-18.pdf (24 pages)

Matched with:

- SIBTF - SIF14026805 - E (pages 1-24): **24 pages** (Chunks:1-10,11-20,21-24)

Total Page Count: **24**

6. Demographics.pdf (1 page)

****Matched with:****

- SIBTF - SIF14026805 - F (page 1-1): ****1 page****

****Total Page Count:** *1***

7. Depo Transcript Of Julien Olivier 08-20-21.pdf (42 pages)

****Matched with:****

- SIBTF - SIF14026805 - G (pages 1-42): ****42 pages**** (Chunks:1-10,11-20,21-30,31-40,41-42)

****Total Page Count:** *42***

8. Dr. Abri Treating Report .pdf (3 pages)

****Matched with:****

- SIBTF - SIF14026805 - H (pages 1-3): ****3 pages****

****Total Page Count:** *3***

9. Dr. Arthur Fass Treating Reports .pdf (26 pages)

****Matched with:****

- SIBTF - SIF14026805 - I (pages 1-26): ****26 pages**** (Chunks:1-10,11-20,21-26)

****Total Page Count:** *26***

10. Dr. Philip Conwisar treating reports.pdf (256 pages)

****Matched with:****

- SIBTF - SIF14026805 - J (pages 1-250): ****250 pages**** (25 Chunks: 1-10,11-20,21-30,31-40,41-50,51-60,61-70,71-80,81-90,91-100,101-110,111-120,121-130,131-140,141-150,151-160,161-170,171-180,181-190,191-200,201-210,211-220,221-230,231-240,241-250)

****Note:**** Original count 256 pages vs. chunks total 250. Possible mismatch or missing chunk noted.

****Total Page Count:** *256***

11. Dr.Coppelson_Declaration.pdf (1 page)

Matched with:

- SIBTF - SIF14026805 - K (page 1-1): **1 page**

Total Page Count: **1**

12. Dr.Coppelson_Referral_letter.pdf (2 pages)

Matched with:

- SIBTF - SIF14026805 - L (pages 1-2): **2 pages**

Total Page Count: **2**

13. Dr.Tirmizi_Declaration.pdf (1 page)

Matched with:

- SIBTF - SIF14026805 - M (page 1-1): **1 page**

Total Page Count: **1**

14. Dr.Tirmizi_Referral_letter.pdf (2 pages)

Matched with:

- SIBTF - SIF14026805 - N (pages 1-2): **2 pages**

Total Page Count: **2**

15. FE_Signed_Releases_with_SIBTF_App.pdf (10 pages)

Matched with:

- SIBTF - SIF14026805 - O (pages 1-10): **10 pages**

Total Page Count: **10**

16. Prior_Award_4027838_DOI_3.22.18.pdf (24 pages)

Matched with:

- SIBTF - SIF14026805 - P (pages 1-24): **24 pages** (Chunks: 1-10,11-20,21-24)

Total Page Count: **24**

17. SDT - Facey Medical Group.pdf (71 pages)

Matched with:

- SIBTF - SIF14026805 - Q (pages 1-71): **71 pages** (Chunks:1-10,11-20,21-30,31-40,41-50,51-60,61-70,71-71)

Total Page Count: **71**

18. SDT -- Exer Urgent Care.pdf (56 pages)

Matched with:

- SIBTF - SIF14026805 - R (pages 1-56): **56 pages** (Chunks:1-10,11-20,21-30,31-40,41-50,51-56)

Total Page Count: **56**

19. SDT Dr. Alvazian.pdf (14 pages)

Matched with:

- SIBTF - SIF14026805 - S (pages 1-14): **14 pages** (Chunks:1-10,11-14)

Total Page Count: **14**

20. SDT Fealy Dentistry.pdf (29 pages)

Matched with:

- SIBTF - SIF14026805 - T (pages 1-29): **29 pages** (Chunks:1-10,11-20,21-29)

Total Page Count: **29**

21. Stips_and_Award_-_6-30-21_CT_and_9-22-20_DOI.pdf (8 pages)

Matched with:

- SIBTF - SIF14026805 - U (pages 1-8): **8 pages**

Total Page Count: **8**

Summary Table

Original File Name Count	SIBTF File Match	Page
-----	-----	-----
All files above listed	Corresponding SIBTF matched files listed above	
As detailed		

Notes and Observations

- Most documents were successfully matched individually and collectively based on page counts and ranges.
- **Dr. Philip Conwisar treating reports.pdf** had a small discrepancy (**256 vs 250 pages**); further investigation is recommended to reconcile or identify missing segments.
- All other documents perfectly match their SIBTF counterparts.

Recommendations

- Investigate the discrepancy identified in Dr. Philip Conwisar's file for potential missing data extraction or file segmentation errors.
- Review original sources for accuracy where discrepancies are noted.

End of Report.
